Waukesha County report: New maps are out.

Washington County report: We need GPS coordinates on our trail by the end of the year. Thank you to Jody Slaby for assisting in teaching at the snowmobile safety class. The trail in Colgate by the RR tracks has a bridge that needs to be repaired. It is sinking on one side.

Thank you again to Teri for handling football mania. The club members that sold the most tickets need to decide if they would like to do this again next year. Teri is willing.

The WCTC class will work on our web site this Spring.

It was good to see John Torn at the January meeting and feeling better.

Hill and Gully had a good turnout for their Vintage Ride. Not much riding due to lack of snow.

Food for this month is appetizers.
